

Candidate Profile

Pimla Sanker
Credit Manager, Business Banking
Nedbank

Academic Credentials

Pimla completed her Matriculation in 1980 and went on to complete a Diploma in Bookkeeping at Damelin College. In 1996 she completed her Diploma in Business Management at the Institute of Business Management cum laude. In 2006 she completed a Management Advancement Programme through the Wits Business School NQF level 7.

Current Work Description

As a senior credit manager in the Business Banking Division, Pimla's responsibilities include making credit decisions, managing sub-ordinates and managing the Credit Management Information system of her portfolio.

Business Credentials and Skills

With experience and knowledge gained over a number of years, Pimla has been instrumental in providing coaching and training to her subordinates and even some of her senior colleagues. This

initiative has been extremely well received in her department.

Personal and Professional Learning Objectives

Pimla's learning objectives for this programme are to:

- Develop knowledge on international banking, global banking trends and best practices
- Network, and
- Gain empowerment via education to reach the next level of management.

Personal Information

Pimla Sanker is married with two teenage sons, but is always game for a challenge. Her personal interests include reading, surfing the net and having fun at every opportunity that presents itself.
